6. FAQ

Q. Where can I use the educational activity funds?

A: The educational activity funds can be used at most offline stores that support students’ educational activities, such as bookstores, stationery stores, academies, private tutoring centers, and study rooms. They can also be used at online stores if they fall within the same usage categories as offline stores.

Q. Are all multicultural children eligible to apply?

A. Only children aged 7 to 18 years old (born between January 1, 2008 and December 31, 2019) who hold Korean nationality are eligible. In addition, only those whose household income is at or below 100% of the median income and who do not receive Educational Benefits (교육급여) are eligible to apply.

Q. What is the educational activity support amount?

A. Elementary school students receive KRW 400,000, middle school students receive KRW 500,000, and high school students receive KRW 600,000.

Q. What is the application process?

A. Check the required documents on the website → Visit the center with the required documents → Final selection by Gimhae City → Processing period: up to 90 days → Notification of final selection results → Points issued (expected in late

August)

Applicants may not be selected depending on income assessment results and priority selection criteria.

Q. Can I submit documents that were issued earlier?

A. Only documents issued on or after June 1 (Mon) can be submitted.

Q. Until when can the educational activity funds be used?

A. The funds are expected to be issued at the end of August and can be used until November 30. Any unused balance after this date will expire.

Q. How are the educational activity funds provided?

A. The funds are provided as points on an NH Nonghyup Card. There is no need to designate a specific NH card product; you can use any NH Nonghyup credit or debit card issued in the applicant's name. If you do not already have an NH Nonghyup Card, you will need to apply for a new card to receive and use the educational activity funds.
